

Resilient me

Face down reality

Can you be honest with yourself about the current situation?

Search for meaning

*What is your personal mission or goal?
Why you, why now?*

Making Do

*What can you use to help you be successful?
Focus on where you can win.*

Resilient leadership

Create choices

How can you allow others to take back some control for themselves?

Start with why

How can you help others to connect to the bigger purpose?

Create better people

*Ensure that people grow and learn
What went well? What did we learn?*
